Teresa Palmer looked every bit the leading lady as she walked the red carpet at Friday's premiere of her new film, Berlin Syndrome. The 30-year-old Australian actress incorporated a look that enhanced her beauty and elegance as she posed for shots at The Marc Theatre in Park City, Utah on the second day of the Sundance Film Festival. Natalia Dyer In **Miu Miu** – 2017 SAG Awards

Natalia Dyer, co-recipient of the 'Outstanding Performance by an Ensemble in a Drama Series Award' for 'Stranger Things' took my breath away while gliding down the red carpet at the **2017 SAG Awards** on Sunday (January 29) in LA.

Her striking red **Miu Miu** gown was an exquisite choice, with so many scintillating elements including those contrasting floral-motif embroideries on the neckline for an instant flourish of femininity.

This standalone piece required nothing more than a pair of Nicholas Kirkwood heels and Jacob & Co. jewels.

One for my 'best of the night' list.
