Emily Browning In Miu Miu – 'American Gods' SXSW Premiere

Emily Browning made a return to the red carpet for the 'American Gods' premiere during the <u>SXSW Film Festival</u> on Saturday (March 11) in Austin, Texas, where the Australian actress continued to showcase her love for all things Miu Miu.

Steeped with a classic, retro vibe, this dress was made to catch stares as the floral-embellished neckline provides the real interest and intrigue here.

Are the Miu Miu burgundy sandals a good match here?

I would say yes. White or pink would've been too obvious. I love the contrast here.

Pink-haired Suki Waterhouse looks super trendy in white hoodie and flared trousers as she takes movie filming break in Louisiana

By Jabeen Waheed For Mailonline PUBLISHED: 19:00 GMT, 13 March 2017

She's in town to shoot the movie Assassination Nation, alongside Bella Thorne and Joel McHale. And Suki Waterhouse ensured to take in her local surroundings during a rare break as she strolled around Louisiana's French Quarter on Monday. The 25-year-old model turned actress looked super cool in a white Power Rangers x KITH hoodie and flared ankle-grazing trousers as she indulged in chatter on the phone.

The concept: Odessa Young's also in the film, in which a quartet of teenage girls find their lives upended when their private information's hacked and publicised http://www.dailymail.co.uk/tvshowbiz/article-4310128/Pink-haired-Suki-Waterhouse-looks-supertrendy.html

Braless Elle Fanning suffers epic wardrobe malfunction as she flashes more than expected in pretty summer dress ahead of casting call

By Ciara Farmer For Mailonline PUBLISHED: 23:17 GMT, 15 March 2017

She is used to dazzling on the red carpet in an array of stunning ensembles. Yet Elle Fanning was stunning elsewhere on Wednesday as she headed to a casting call in Los Angeles, in which she opted to go braless beneath a perilously scanty dungaree dress. The 18-year-old Maleficent star sent pulses soaring as she flashed more than expected in the white gown complete with D-ring fastening and a deeply plunging side - leaving very little to the imagination.

Elle peeled on a pair of oversized round lens sunglasses with a dove grey rim while covering up her make-up free face. Her blonde tresses were scraped into a high ponytail while they appeared wet from the shower.
