Berenice Bejo In Miu Miu – ‘Redoubtable’ Photocall Cannes Film Festival Photocall

Berenice Bejo joined **Stacy Martin** for the ‘Redoubtable’ Photocall **Cannes Film Festival** Photocall this afternoon (May 21).

The French actress wore a Miu Miu broderie anglaise dress which masters a chic summer dress code for a photocall down by French Riviera.

I love that she added a tri-colour Michel Vivien sandals to add a punchy finish.

En un diseño de **Vivienne Westwood** con divertidas ilustraciones en la parte trasera desfiló por primera vez en esta edición de Cannes. De acuerdo con ELLE US el print del vestido fue idea de Elle y se tardaron 300 horas en hacerlo.

Elle Fanning looks effortlessly cute in an A-line teadress as she frolics about in the sea during the Cannes Film Festival

Pick up a pretty printed dress like Elle in Miu Miu
Elle Fanning was spotted frolicking in the sea yesterday in France ahead of the Cannes Film Festival's start today. This dress is the perfect holiday number with its light airy finish and bright hue perfect for the warmer months. Sadly, you cannot shop it, but click right to bag pieces from the current line at Net-a-Porter. If you want a printed blue fit and flare dress like Elle's, head to the line up of alternatives below by the likes of Love Moschino, Yumi and more. We've even thrown in her exact white and gold Miu Miu platforms to complete the look in style.

26.05.17 **PREMIERE**

Annabelle Wallis In **Miu Miu** – ‘The Mummy’ Taiwan Premiere

Annabelle Wallis joined **Sofia Boutella** for the Taiwan premiere of ‘The Mummy’ on Thursday (May 25) in China.

Like Sofia, Annabelle didn’t need to add too many jewels to her **Miu Miu** gown as the lavish detail on her pretty frock was eye-catching enough.

I love the rich hue which the British actress continues to deliver on this promo tour, plus the overall glam factor which was severely lacking from yesterdays **amfAR gala**.

The look was enhanced with a flame-red pout and Cesare Paciotti heels.

Bella Hadid In Ralph & Russo Couture –
2017 amfAR Gala Cannes

sedici anni, infatti, è apparsa nel film di Sydney Pollack [“Destini incrociati”](#). Una volta spianata la strada, ha continuato la sua ascesa al successo recitando in pellicole come [“I segreti di Brokeback Mountain”](#) e ha anche avuto un piccolo ruolo in [“Iron Man 2”](#) e in quel de [“I Fantastici Quattro”](#) in cui ha vestito i panni della donna invisibile. Di certo nella vita reale non passa inosservata. Anzi.

[Kate](#), oltre che per le sue performance sul piccolo e grande schermo, è molto amata per i suoi outfit. E' una vera e propria trend setter. Le piace giocare con i contrasti. Sul red carpet è sempre impeccabile. Elegante, stilosa, glamour e unica. Quando è lontana dai riflettori, invece, predilige mise più sportive ma non per questo sciatte o trasandate. La sua femminilità non è sempre ostentata ma le sue mise sono sicuramente ricercate. Immortalata a passeggio per Los Angeles, Kate ha sfoggiato un outfit decisamente casual. Il denim non delude mai. L'attrice ha abbinato una blusa corta in vita a un bomberino di un blu più intenso. Il tono su tono su di lei funziona.
