## Buceo urbano

Por ANA RAMÍREZ

**L**A PRIMAVERA EL ZAPATERO altera. Los pies son los primeros en polinizarse y en ese campo abonado a la locura cromática, de repente, el neopreno, que anticipa verano y sus salpicaduras. Prada rescata este material para una serie de zapatos? ¿deportivos? que trasladan la estética de los escaupines de buceo a las simas de lo cotidiano. La línea masculina incluye modelos tobilleros del preceptivo color negro con el que se descien- en busca de pecios, pero la apuesta definitiva son los que introducen colores sólidos, como el de la

imagen (550 euros), y aquellos para mujer con flores en relieve que revolotean por la suela de goma, en sintonía con la temporada que nos estalla. El cierre de velcro remata estos botines y no sólo, ya que salpica la propuesta de Prada; lo encontramos reinterpretado en la hebilla de los bolsos de mano, ajustando al tobillo las sandalias de charol de mujer, a contraste en zapatos de tacón e incluso cruzando el empeine de unos por lo demás muy formales masculinos de respunte y cordón. Un buen puñado de hibridaciones, en definitiva, que difuminan las categorías entre calzado técnico, "sport" y moda. ♦

When your wardrobe consists of different versions of the same classic pieces in black, navy and grey – maybe a bit of camel or cream if you're feeling daring – a new accessory can be a *total* game-changer. While enormous totes might be the handbag du jour according to Céline and Balenciaga, the handbag that we can't stop thinking about is the sporty bowling style seen on the Prada s/s 2017 catwalk in Milan. Not maxi nor mini but perfectly regular in size, it comes in red, blue and beige and will put another level of spring into those Stan Smith-clad steps.

## Jessica Chastain In Prada – 2017 Met Gala

Before taking her seat at the judges table alongside Fan Bingbing for the 2017 Cannes Film Festival in 15 days time, Jessica Chastain bestowed her regal charm on the **2017 Met Gala** on Monday (May 1).

Part of the **Prada** posse, the actress donned a pale yellow chiffon plissé off-the-shoulder Elizabethan-style gown embellished with crystal embroidery.

It's rare that I love two **Prada** gowns in a row, but this is such a beautifully romantic gown that it left me in awe.

Was this one of your favourites of the night?

## Met Gala 2017: Best Dressed

by ELLIE PITHERS      Tuesday 2 May 2017

Ellie is the fashion features editor of British Vogue

CELEBRITIES could be forgiven for bridling at the **Met Gala 2017**'s dress code. Forget "black tie with a hint of pink" or "dress to party". This year, the exhibition, *Rei Kawakubo/Comme des Garçons: Art of the In-Between*, demanded attire that was "avant-garde". The results were wonderfully dichotomous.

### Diane Kruger

Disregarding the more fertile interpretations of the theme (camouflage for Madonna, undulating rolls of wet-look, down-filled puffer jacket fashioned into a gown for Solange Knowles) Diane chose a white cady Prada dress sprinkled with gold sequins and crystals. Why mess with a failsafe formula?

### Rihanna Has the Ultimate Post-Met Gala Party Look

#### Full Text:

After emerging as one of this year's Met Gala red carpet superstars yesterday evening, Rihanna struck fashion gold again for the after-party circuit. She swapped out her exploding floral Comme des Garçons look for a fitted pajama top to hit up her late-night, post-Met bash at 1Oak.

The singer took an elevated approach to boudoir-inspired style in a Prada feather-trimmed top that she styled in her signature bad gal way sans pants. The varying shades of green snakeskin lent the ensemble contrast, texture, and an exotic twist, while a dash of whimsy was achieved via Elton John-esque oversize Gucci shades. The bling on Rihanna's hands added bold sparkle, and Prada's coordinated feather-trimmed sandals were a luxe alternative to the bedroom shoe.

## Gwyneth Paltrow proves there is a wearable way to wear a crop top in Prada

Gwyneth Paltrow has developed a polished personal style, making simple silhouettes, block colours and playful details her signature- always creating a grown-up and elegant result which shows off her gym-honed figure.

Last night, the Oscar-winning actress and lifestyle guru attended a children's hospital fundraiser in L.A. She chose an optic white beaded two-piece by Prada which exposed a sliver of tanned abs,

Although the crop top concept seems scary, Paltrow's spin on the look shows that you don't need to expose acres of flesh but can keep it chic with a flash of toned waist.

## 'It's never too late': Naomi Watts and Susan Sarandon share steamy kiss and leave lipstick marks on Bravo's WWHL

Susan Sarandon and Naomi Watts shared a kiss – and left one another covered in lipstick – on Monday night's episode of Watch What Happens Live. ### Margot Robbie Has the Perfect Prada Party Dress

#### Full Text:

She's worn [leather](#), [tigers](#), and [unicorns](#) on the red carpet, but last night in New York, [Margot Robbie](#) went the more classic, elegant route—yet with a party-ready twist. Donning a sand-colored [Prada](#) dress with playful details, the actress proved the power of marrying minimalism with an unexpected sparkle.

The floor-length gown recalled the grandeur of [Selena Gomez's](#) crimson Prada princess dress from the [American Music Awards](#), but swapped out the bold color for jewel-like embellishments. A prismatic series of crystals peppered Robbie's look and mimicked confetti. Amping up the youthful effect was delicate jewelry from Delfina Delettrez, which put a whimsical touch on the whole thing.

## Fashion forward Katy Perry showcases her eclectic style in flirty oriental coords as she attends pre-MET gala dinner in NYC

By [Lisa McLoughlin For Mailonline](#) PUBLISHED: 04:43 EDT, 1 May 2017

The 35-year-old Californian singer - who is co-chairing this year's MET gala with Anna - captured the attention of the fashion police as she sauntered to the exclusive evening in her adorable geometric two-piece.

Her Cheongsam inspired jacket featured black piping and three-quarter length sleeves with flirty beige feather detail that draped over her forearms. Matching her eye-catching silk top, the Chained to the Rhythm hitmaker slipped on a pair of high-waisted trousers in the same blue, grey and beige pattern. Katy's fashion forward pants mimicked the chic jacket with black feather detail around the ankles which highlighted her slender pins.

## Elle Fanning In Prada – Out In New York

Elle Fanning took a sleepy sidewalk stroll in New York on Thursday (May 4).

The young starlet pushed the lounge-wear envelope by wearing a pair of actual pyjamas inspired by a rather gloomy pattern seen in the Prada Spring 2016 men's collection.

She made no excuses for her literal interpretation of sleepwear as outerwear either, as she skipped any ounce of makeup and threw on a pair of white sneakers.

We recently saw Gigi Hadid also wear her PJs out in public. However, I will say about Gigi that at least she styled hers with heels so the look seemed a bit less like a sleepwalking ensemble.

## Jessica Chastain showcases her incredible curves in plunging green figure-hugging wrap dress as she attends Miss Sloane photocall in Spain

By [Jabeen Waheed For Mailonline](#) **PUBLISHED:** 14:18 BST, 3 May 2017

She recently boldly declared that she doesn't take on a film role unless she knows how much her male co-stars are making. And Jessica Chastain looked every inch the powerful woman as she arrived at the photocall for her film Miss Sloane - which has already hit UK and US theatres - in Madrid, Spain on Wednesday. The 40-year-old actress showed off her ample cleavage in a plunging figure-hugging green dress which fell at a stylish midi-level.
