Laura Haddock In Miu Miu – ‘Transformers: The Last Knight’ Chicago Premiere

Laura Haddock was back on the red carpet on Tuesday (June 20) for the ‘Transformers: The Last Knight’ premiere in Chicago, Illinois.

The actress donned a pale pink Miu Miu gown.

I love the contrast between the textured bottom half – which provides all the drama – while the top remained simple with beaded straps.

Whilst the jewelled belt and simple silver accessories add subtle shine, would this look have benefitted from bolder earrings or a necklace?

Effortlessly and elegant this look may be, but I have a feeling some might be wishing for some extra oomph here – especially considering Laura is yet to wear a colour outside the neutral family for this promo tour.

Pure Dead brilliant! Elle Fanning flaunts her flat stomach by tying Grateful Dead T-shirt into crop top
